

Fisher Funds KiwiSaver Scheme Conservative Fund

Quarterly disclosure statement for the 12 months ended 30/09/13

What is the purpose of this statement?

This statement provides key information about the Fisher Funds KiwiSaver Scheme Conservative Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Conservative Fund invests principally in cash and fixed interest securities but may also invest in shares, infrastructure securities and property securities (in each case either locally and/or internationally). The investment objective is to achieve long-term returns that are better than bank term deposits.*

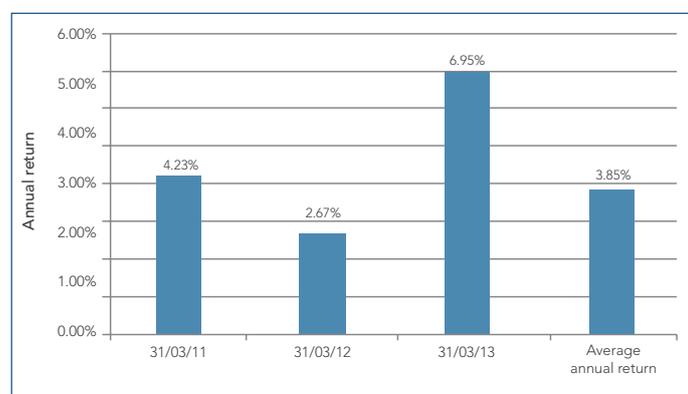

Total value of the fund	\$201,877,324
Number of members in the fund	51,742
Date the fund started	12/06/09

How has the fund performed?

	Past year
Annual return <i>(after deduction for fund fees and tax)¹</i>	6.42%

How has the fund performed in the past?***

This shows the return after fund fees and tax for each tax year since the Fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns shown are after deductions for fund fees². These fees were last totalled up for the year to 31/03/13 and were:

Total fund fees	1.08% of members' investments
Which are made up of:	
Annual management fee	0.85%
Performance-based fees	0.00%
Other fees and costs	0.23%

Members were also charged membership fees³ of \$36 over the year to 31/03/13⁴.

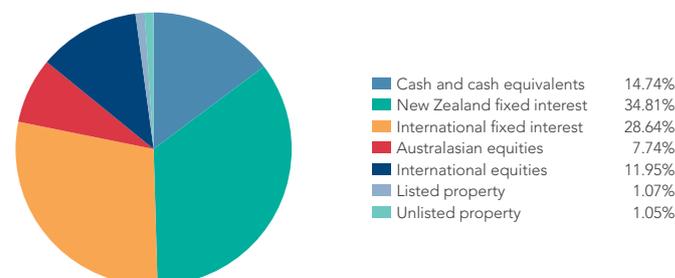

Example of how this applies to a member

Jenny had \$10,000 in the fund at the start of the year and didn't make any further contributions. At the end of the year, Jenny received a return after fund fees and tax were deducted of \$642 (that's 6.42% of her initial \$10,000. Jenny also paid \$36 in membership fees. This gives Jenny a total return of \$606) for the year.

Notes

¹ Returns in this statement are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax rate may be lower.

² Fund fees charged as a percentage of a member's interest in the fund (i.e. as a percentage of their KiwiSaver account balance).

³ Membership fees are the fixed dollar charges for membership in the Fisher Funds KiwiSaver scheme

⁴ Members who joined the scheme on or before 30 April 2011 were charged membership fees of \$24 over the year to 31/03/13.

*On 14 November 2013 the sentence "It will typically hold a greater proportion of cash and fixed interest assets than growth assets, so it is expected that the Conservative Fund will experience less volatility than the Fisher Funds KiwiSaver Scheme Growth Fund." was deleted from the "Description of the fund" section of the disclosure statement.

**On 14 November 2013 the Annual return of 0.84% for the year to 31 March 2010 was removed from the bar chart in the "How has the fund performed in the past?" section of the disclosure statement as the return did not relate to a complete disclosure year.
