Notes

¹ Returns in this statement are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax rate may be lower.

² Fund fees are fees charged as a percentage of a member's interest in the fund (i.e. as a percentage of their KiwiSaver account balance).

³ Membership fees are the fixed dollar charges for membership in the Fisher Funds KiwiSaver Scheme.

⁴ Members who joined the scheme on or before 30 April 2011 were charged membership fees of \$24 over the year to 31/03/2015.

** The negative performance fee expense as at 31 March 2016 is a result of the actual performance fee charged to the fund at 30 June 2015 (0.30%) being lower than the fee accrued to 31 March 2015 (0.32%). Because the performance fee period runs from 1 July to 30 June each year and the Annual Disclosure Statement period runs from 1 April to 31 March each year negative performance fee accruals as at 31 March are possible in these types of situations.
