- 3.7 The beneficial interest in each Fund, as originally constituted by the payment to the Supervisor of the sum of \$100, shall be divided into 100 Units or such other number as may be specified in the relevant Establishment Deed, which Units shall be held by the Manager.
- 3.8 As and when addition is made to a Fund by payment for Units, additional Units shall automatically be issued as specified in clauses 3.14 to 3.25 (inclusive).
- 3.9 The Manager, in consultation with the Supervisor, may at any time determine that no further Units will be issued in respect of a Fund or all Funds under this Governing Document either over any specified period or until the Fund is terminated.

Offer of Units

- 3.10 The Manager must not make a Regulated Offer of Units in a Fund unless:
- (a) the Scheme is registered under the FMCA;
 - (b) a PDS has been prepared and lodged on the Disclose Register in respect of the Scheme and the Fund; and
 - (c) all of the information that the Register Entry is required to contain under the FMCA has been lodged on the Disclose Register with respect to the Scheme and the Fund.
- 3.11 Each Disclosure Document must comply with Relevant Law at the time and, subject to clause 3.13 otherwise be in a form provided to the Supervisor in advance of lodgement or supply, as the case may be.
- 3.12 The Manager must use reasonable commercial endeavours to ensure that the Disclosure Documents for the Scheme and each Fund at all times comply with Relevant Law.
- 3.13 The Manager shall, unless otherwise agreed, provide to the Supervisor, with reasonable notice, drafts of all proposed Disclosure Documents (other than Fund Updates, drafts of which shall be provided to the Supervisor on request) in respect of the Scheme and each Fund so as to allow the Supervisor to review and provide comments on the draft (which the Supervisor will do in a timely manner or, if a reasonable timeframe for response has otherwise been agreed between the Manager and the Supervisor, within that timeframe).

Application for and issue of Units

- 3.14 Every person wishing to apply for or acquire Units in a Fund:
- (a) shall, in the first instance, complete and lodge with the Manager an Application signed by or on behalf of the Applicant in the form from time to time prescribed by the Manager;
 - (b) shall pay with the Application the Application moneys, being comprised of Cash, or transfer to the Supervisor or a Custodian on account of the Fund the

Investments agreed to be acquired by the Fund or such combination of them as the Manager may determine from time to time in its absolute discretion, in accordance with this Governing Document and the PDS; and

- (c) may, if the Manager agrees, in respect of subsequent Applications make such Application by telephone or in writing or by electronic transmission.

Acceptance of application

3.15 The Manager shall on the date of receipt of an Application (or such other date as the Manager determines):

- (a) decide whether to accept or reject that Application in whole or in part in its absolute discretion; and
- (b) if an Application is rejected, immediately refund or arrange for the Supervisor to refund Application monies received in respect of that rejected application,

and, pending the Manager's decision, all Application monies (whether in cash or in Investments) must be held in a trust account by the Manager on behalf of the relevant prospective Unitholder in accordance with Relevant Law and this Governing Document.

3.16 The Manager may in its absolute discretion accept or refuse to accept in whole or in part any Application (including one made by virtue of an Instalment Application) and the Manager shall not be required to give any reason or ground for such refusal.

3.17 On acceptance of an Application, the Manager shall:

- (a) enter, or cause to be entered the name of the relevant Unitholder on the Register of the relevant Fund, or
- (b) where the Unitholder is already on the Register, cause the Register to be altered accordingly.

3.18 A Fund may have a Minimum Application Amount determined by the Manager in respect of that Fund.

Unit Price

3.19 The Unit Price shall be determined on each Valuation Day by dividing the Net Value of the relevant Fund by the Number of Units on Issue on that day in respect of that Fund, and rounding the product in the manner, and to the number of decimal places, as the Manager may decide in its absolute discretion. For the avoidance of doubt, the Net Value used to determine the Unit Price shall not include amounts received for which Units are to be but have not been issued, and shall include amounts debited, transferred or withdrawn from Unit Holdings for which Units are to be but have not been cancelled, at the time of such determination.

3.20 The Manager shall be entitled to the benefit of any surplus and be liable for any deficiency of the Unit Price of a Unit owned by the Manager and sold pursuant to an Application over or below the Unit Price at which the Unit was issued to or

repurchased or otherwise acquired by the Manager and the Manager shall not be obliged to account to the Supervisor the Fund or any Unitholder nor shall the Supervisor, the Fund or any Unitholder be obliged to recompense the Manager for any such surplus or deficiency over or below the Unit Price.¹³

Manager's fees

- 3.21 The Manager is entitled to receive and retain for the Manager's own benefit the Unit Price of Units owned and sold by the Manager.
- 3.22 The Manager shall be entitled to charge and retain for its own benefit:
- (a) an Entry Fee (of up to 1.5% of the Unit Price for the BondPlus Fund and New Zealand Fixed Income Trust; and up to 5.0% of the Unit Price for the CashPlus Fund, Trans Tasman Equity Trust, Global Fund and Multi Sector Fund) on the Application moneys or value of the Investments agreed to be acquired by the Manager regardless of whether the Units are purchased from the Manager or issued from a Fund; and
 - (b) a Switch Fee.
- 3.23 Any Entry Fee shall be paid to the Manager by the Applicant at the time Units are sold or issued for Cash. Where the Application amount received is paid by the transfer of Investments, the Fund shall pay the Manager any Entry Fee in Cash, having deducted an amount equal to such Entry Fee from the application amounts before calculating the number of Units to be sold or issued at the relevant Unit Price. Where the application amount is received in Cash and the transfer of Investments, the Manager may elect either of the above methods of payment of any Entry Fee or a combination of them which would result in the same amount being deducted from the application amount and the same Entry Fee being received by the Manager as would have occurred if the Manager elected either alternative solely.
- 3.24 The Manager shall be entitled to waive from time to time the whole or any part of any Entry Fee or Switch Fee or to increase or reduce such fees. An increase of any fees shall be effective at least three (3) months after written notice has been given to existing Unitholders.
- 3.25 The Manager will not charge any Entry Fee or Switch Fee where the Units issued in a Fund arise solely in respect of a consolidation of Fractional Units or are Units issued pursuant to clauses 12.1 or 12.13.

Issue or purchase of Units

- 3.26 An Application accepted by the Manager may at the option of the Manager be treated as:
- (a) a subscription for Units to be issued from the relevant Fund; or
 - (b) a request for the purchase from the Manager of Units owned or to be acquired by the Manager in the relevant Fund,

¹³ Currently only in BondPlus, Global, Trans-Tasman and Multi Sector Fund Trust Deeds.

provided that, regardless of the alternative adopted by the Manager, the purchase or subscription price payable by Unitholders must always be the Unit Price.

- 3.27 If any payment of Application moneys fails for any reason, any Units issued in relation to those Application moneys will be void.

Number of Units

- 3.28 The number of Units sold or issued pursuant to an Application shall be that number of Units that have an aggregate Unit Price, as at the most recent Valuation Day, that is an amount determined by the Manager as being equal to:

- (a) the Application moneys received and accepted, or in the case of the acquisition of an Investment, the purchase price or consideration for the Investment agreed by the Manager, less
- (b) any applicable Entry Fee or, in respect of the Multi Sector Fund, Trans Tasman Equity Trust or the Global Fund a Transaction Allowance, and any other applicable fee with fractions rounded to four (4) decimal places (or such other decimal place as the Manager determines).

- 3.29 For the purposes of calculating the number of Units to be issued in respect of:

- (a) the first issue of Units under any Fund, the Unit Price per Unit of that Fund shall be deemed to be \$1.00;
- (b) a Switch, the Manager will apply the Exit Amount payable to the Unitholder on the redemption or repurchase of the old Units in payment of the Application monies due in respect of the acquisition of the new Units and will pay any excess of the aggregate Exit Amount to the Unitholder.

- 3.30 All Application moneys shall immediately be credited or paid into the bank account established by the Supervisor under clause 11.34 for the relevant Fund subject to deduction or payment therefrom of all amounts the Manager is expressly entitled by this Governing Document to receive and retain for its own benefit. The balance of the Application moneys shall be paid by the Manager to the Supervisor in accordance with Relevant Law.¹⁴

¹⁴ Section 87 of the FMCA and Regulation 49 of the FMC Regulations.

**Confirmations**

- 3.31 Where required by and in accordance with Relevant Law, the Manager shall issue confirmations recording the issue of Units in a Scheme, in such form and within such time frames as the Manager shall determine.

Instalment Application

- 3.32 An Application may be designated by the Applicant as an Instalment Application. The Manager may decline any Instalment Application or may from time to time refuse to accept Instalment Applications in general for any period or periods.
- 3.33 In respect of BondPlus Fund, Multi Sector Fund, NZ Fixed Income Trust and the CashPlus Fund, with any Instalment Application the Manager may from time to time determine:
- (a) an administration fee payable by the Unitholder in respect of each instalment payment agreed to be paid by the Unitholder to the Manager;
 - (b) a sum to be charged by the Manager as a penalty in any case where a Unitholder fails to make payment of the agreed instalment at any time during the period of twelve (12) months after the date of payment by the Unitholder of the first agreed instalment.
- 3.34 The Manager shall disclose the amount of any such administration fee and penalty to the Unitholder concerned in the PDS so as to comply with Relevant Law and such fee and penalty may only be altered by the Manager in respect of subscriptions made pursuant to that PDS at intervals of not less than one (1) year.

Termination of the Fund

- 3.35 No Unit in a Fund may be issued or sold by the Manager after receipt by the Supervisor of a notice of termination for that Fund given by the Manager pursuant to clause 24.2 except with the prior consent in writing of the Supervisor.

Commission

- 3.36 The Manager is entitled, at its own cost and not that of any of the Funds, to pay such commission or brokerage to any person for subscribing for, or obtaining purchases of, or subscriptions for, any Units as the Manager may from time to time determine.

4 VALUATIONS

- 4.1 The market value of each Asset of or to be acquired by a Fund shall be such of the following as the Manager determines from time to time:
- (a) the latest sale price, or such other market convention, of the Asset on any recognised exchange at the time of valuation;
 - (b) the amount certified by an independent or suitably qualified person to be the fair value of the Asset; and

- (c) the amount agreed upon between the Manager and the Supervisor on the basis of an agreed methodology as the fair value after taking account of the most recent material sales, valuations, and other information that the Manager and the Supervisor consider to be appropriate.
- 4.2 On each Valuation Day in respect of each Fund, the Manager shall calculate the Net Value of the Assets of each relevant Fund by adding the aggregate of the market value of that Fund on the relevant Valuation Day and the amount of any income that is due to be received by the Fund and deducting the aggregate of all Liabilities of that Fund determined on an accruals basis up to the time of day determined by the Manager on the relevant Valuation Day. The amount determined by the Manager must be calculated in accordance with generally accepted accounting practice where it is appropriate and reasonable to do so.
- 4.3 The Net Value shall be calculated by using a methodology determined by the Manager (after consulting with the Supervisor) from time to time, details of which are set out in a separate document lodged on the Disclose Register.
- 4.4 The Net Value per Unit of a Fund ascertained by the Manager is final and binding on all persons including without limitation the Manager, the Supervisor and any Applicant or subscriber for, or purchaser of, Units, and all Unitholders.

5 REPURCHASE AND REDEMPTION OF UNITS

Covenant to repurchase or redeem Units

- 5.1 Subject to clauses 5.3, 5.4, 5.16 to 5.18, the Manager covenants with the Supervisor (for the benefit of the Unitholders as well as the Supervisor) that the Manager will at its option upon receiving an Exit Request from a Unitholder and upon compliance with the terms of this Governing Document:
- (a) either repurchase each Unit to which such request relates; or
 - (b) redeem each Unit to which such request relates.
- 5.2 Regardless of the alternative adopted by the Manager, the price payable to the Unitholder for each Unit shall always be the Exit Amount.
- 5.3 The Manager may from time to time fix a reasonable minimum number of Units that may be held, repurchased or redeemed or a minimum value for Units held, repurchased or redeemed.
- 5.4 Where the Manager receives an Exit Request, the Manager may in its sole discretion:
- (a) Unless the Exit Request relates to all the Units in a Fund held by a Unitholder, refuse to repurchase or redeem the Units to which the Exit Request relates in any case where the repurchase or redemption is of less than the minimum determined pursuant to clause 5.3 is requested; and
 - (b) If the number of Units in a Fund held by the requesting Unitholder is less than the Minimum Holding Amount for the relevant Fund, repurchase or redeem

the balance of Units in that Fund held by that Unitholder as if the request relates to all the Units in that Fund held by that Unitholder.

- 5.5 An Exit Request shall be made in a form and manner (and including by facsimile, electronic means or orally) that is acceptable to the Manager.

Exit Amount

- 5.6 The Exit Amount of each Unit shall be the Unit Price in respect of the relevant Fund less:

- (a) any Exit Fee in respect of the Multi Sector Fund, Global Fund and Trans Tasman Equity Trust only; and
- (b) Switch Fee (if applicable); and
- (c) any Transaction Allowance in respect of the NZ Fixed Income Trust, Multi Sector Fund, Global Fund and Trans Tasman Equity Trust only,

calculated as at the next Valuation Day after the Exit Request is accepted.

- 5.7 The Exit Amount shall be calculated to four decimal places of a dollar (or such other decimal place as the Manager determines).

- 5.8 The amount payable on repurchase by the Manager or on redemption in respect of each Unit shall be paid to the Unitholder within a reasonable time not exceeding seven Business Days of the relevant Valuation Day. Where Units have been paid for by cheque the Manager shall be under no obligation to repurchase or redeem those Units until the proceeds of that cheque have been cleared.

- 5.9 An Exit Request shall be effective only on a Business Day, and shall be irrevocable once given (regardless of whether or not there is any suspension or deferral of the effective date at which repurchase takes effect pursuant to clauses 5.19 to 5.27).

Exit Fee

- 5.10 The Manager shall be entitled to charge and retain for its own benefit an Exit Fee in respect of the Multi Sector Fund, Global Fund and Trans Tasman Equity Trust on all Units issued from the relevant Fund. The Manager shall be entitled to waive from time to time the whole or any part of the Exit Fee or to increase or reduce such fee.

Funds for Exit Amount

- 5.11 Where Units relating to an Exit Request by a Unitholder are repurchased, the Manager shall pay to the Unitholder the Exit Amount out of the Manager's own funds.
- 5.12 Where the Units referred to in an Exit Request by a Unitholder are to be redeemed, the Manager shall request the Supervisor to release the Exit Amount from the relevant Fund. The Manager may pay the Unitholder the Exit Amount out of the Manager's own funds and shall be entitled to retain for its own benefit the moneys released by the Supervisor from the Fund.

- 5.13 Units are repurchased by the Manager for its own benefit and the Manager shall be entitled then or at any time thereafter to sell any or all of those Units or to have them redeemed in accordance with this Governing Document. Notwithstanding any other provision of this Governing Document, if the Manager elects at or before the time of repurchasing any Units to have the Units immediately redeemed, the Exit Amount for such redemption shall be the same as the Exit Amount at which the Manager repurchases the Units.
- 5.14 Where a Unitholder requests the repurchase of sufficient Units held by him to realise a specified amount the Exit Request shall relate to as many of the Units that will realise at least that specified amount. Any amount realised in excess of the required amount may be re-invested by the Manager on behalf of the Unitholder in a new Unit or Units or Fractional Units as if applied for immediately before the repurchase date or may be refunded to the Unitholder.
- 5.15 The Manager shall, in respect of any Fund that is a PIE from time to time, monitor and manage ongoing satisfaction of PIE eligibility criteria in such manner as it determines appropriate.
- 5.16 Unless the Manager decides otherwise, the first Units issued to a Unitholder are the first redeemed or repurchased.
- 5.17 Where the consideration for Units has not been received or cleared or transfer has not been completed or the consideration has been retrieved or reversed, the Manager need not repurchase or redeem the Units so applied for until such payment is received by, transferred to, or such retrieved or reversed amount is repaid to the Manager.
- 5.18 For any proceeds of redemption or repurchase paid in Cash, payment in accordance with the Unitholder's instructions or, in the absence of any instructions, by direct credit to the nominated bank account specified in the relevant Register shall constitute valid payment and shall discharge the Manager and the Supervisor from any further payment obligation.

Suspension

- 5.19 Clauses 5.20 to 5.22 below apply to the BondPlus Fund, the Multi Sector Fund, the NZ Fixed Income Trust and the CashPlus Fund only.
- 5.20 If by reason of:
- (a) a decision to terminate a Fund; or
 - (b) financial, political or economic conditions applying in respect of any financial market or other markets in which Investments may be sold; or
 - (c) the nature of any Investment; or
 - (d) the occurrence or existence of any other circumstances or event,

the Manager in good faith determines that the Manager's obligation to repurchase any Units in one or more of the above Funds or to redeem any Units in one or more of the above Funds:

- (e) is not practicable; or
- (f) would or may be prejudicial to the interests of the Unitholders in the relevant Fund; or
- (g) would threaten the Fund's eligibility for PIE status,

then the Manager may give a repayment suspension notice to any Unitholder or holders and the Supervisor. A repayment suspension notice shall have the effect suspending the operation of all Exit Requests relating to the relevant Fund or Funds until:

- (h) the Manager gives to the relevant Unitholders and to the Supervisor notice to the effect that the repayment suspension notice is cancelled; or
- (i) 90 days after the date of the notice or such other date that is approved by the Supervisor, whichever is the earlier.

5.21 Where Exit Requests are suspended:

- (a) any Unitholder who has issued an Exit Request in respect of the relevant Fund may revoke the Exit Request at any time prior to the last day of the period of suspension; and
- (b) the Exit Request shall be processed as if the Exit Request was received on the last day of the period of suspension.

5.22 The Manager shall notify the Supervisor of its intention to issue a repayment suspension notice or to cancel such notice before giving effect to the suspension or cancellation. Clause 5.19 shall take priority over all other provisions in this Governing Document relating to the repurchase or redemption of Units.

5.23 In respect of the Global Fund and the Trans Tasman Equity Trust, if the Manager determines that it is desirable for the protection of the Fund or in the interest of the Unitholders that whilst:

- (a) any relevant Exchange is closed,
- (b) trading on such an Exchange is restricted,
- (c) an emergency (including an emergency caused by an energy mechanical or electronic failure or malfunction) exists as a result of which it is not reasonably practicable for the Supervisor to acquire or dispose of the Investments or for the Manager to determine fairly the Unit Price or the Exit Amount; or

- (d) any moratorium is declared by the New Zealand Government or by the Government of any other country,

Units should not be issued, sold, repurchased or redeemed for any specified period which does not exceed 30 continuous days and the Manager so notifies the Supervisor, the Manager shall not be obliged to sell or issue Units pursuant to an Application or repurchase or redeem Units pursuant to an Exit Request for the period so specified by the Manager.

Deferral rights

5.24 In respect of the Global Fund, the Trans Tasman Equity Trust and the NZ Fixed Income Trust, notwithstanding anything contained in this Governing Document if:

- (a) an Exit Request is received or a series of Exit Requests are received within a period of seven Business Days¹⁵ that relate to more in total than 2.5% of the Number of Units on Issue in the relevant Fund at the time of the request or last request; and
- (b) the Manager and the Supervisor both agree it is in the general interests of all Unitholders in that Fund to defer immediate redemption or repurchase of the total Units requested,

then such Units in the Global Fund, the Trans Tasman Equity Trust or the NZ Fixed Income Trust (as applicable) may be repurchased or redeemed by instalments over a period approved by the Supervisor or in total at the expiration of a period approved by the Supervisor. In any such case the Exit Amount shall be calculated at the Business Day or respective Business Days on which such Units are repurchased or redeemed.

5.25 Where an Exit Request is received or a series of Exit Requests are received within a period of three months that relate to more than 10% of the Number of Units on Issue in respect of the NZ Fixed Income Trust at the time of the request or last request then the Manager may suspend the right of Unitholders in that Fund to make Exit Requests provided that the Manager notifies the Supervisor of its intention to suspend the right of Unitholders in the relevant Fund to make Exit Requests.

5.26 If the Manager during any 21 day period receives Exit Requests in respect of the CashPlus Fund, which the Manager believes involves an amount which could detrimentally affect the interests of Unitholders in that Fund then the Manager may give a deferral notice to the relevant Unitholders and the Supervisor deferring payment. A deferral notice shall have the effect of deferring the rights of those Unitholders to whom notice has been given to have Units redeemed or purchased until the earlier of:

- (a) the date the Manager gives notice to Unitholders and the Supervisor that the deferral notice is cancelled; or

¹⁵ For NZ Fixed Income Trust this period is three months.

- (b) the expiration of three (3) months or such other period the Supervisor determines in good faith is in the interest of Unitholders.

5.27 Where payment is deferred under clause 5.26 the Manager may in its discretion satisfy any payment due in whole or in part on an equitable basis at any time during the deferral period.

Requirement to maintain Minimum Holding Amount

5.28 Notwithstanding anything contained elsewhere in this Governing Document, where:

- (a) the total Holding of a Unitholder in any Fund, valued with the reference to the Unit Price, is valued at less than the Minimum Holding Amount;
- (b) the Manager gives to that Unitholder not less than 30 days' notice in writing that the Manager intends at the expiration of that period to require the repurchase or redemption of all the Units to which that Unitholder is entitled; and
- (c) at the expiration of that period that Unitholder holds less than the Minimum Holding Amount,

then the Manager shall have the right to purchase or redeem that Unitholder's Holding with effect as at the date of expiry of the Manager's notice as if an Exit Request has then been received from the Unitholder.

Compulsory Redemptions

5.29 The Manager may, in consultation with the Supervisor, compel the redemption of all or some of the Units held by a Unitholder, if the holding, or continued holding, of Units by that Unitholder (whether on its own or in conjunction with any other circumstances the Manager considers relevant) might in the Manager's opinion result in a legal, pecuniary, regulatory, Tax or material administrative disadvantage for the Scheme, the Fund or to the Unitholders in a Scheme or a Fund as a whole.

5.30 Units that are compulsorily redeemed by the Manager will be redeemed at the Exit Amount calculated at the Valuation Day on which the Units are redeemed and subject to any other deduction or adjustment the Manager may make in accordance with this Governing Document as it considers appropriate.

5.31 The Manager may in its discretion charge any Unitholder any legal, accounting or administrative costs associated with a compulsory redemption of their Units.

Redemption of Units by Manager

5.32 The Manager shall be entitled at any time to redeem relevant Units held by the Manager from a Fund and the Supervisor shall, in accordance with a request to do so from the Manager, release from the Fund the aggregate Exit Amount of the Units to be redeemed. Any such redemption shall be effected at the next Valuation Day after the request is accepted.

5.33 All redeemed Units shall be cancelled and shall not thereafter be reissued but this shall not restrict the creation and issue of additional or new Units.

5.34 The Manager shall be entitled to the benefit of any surplus and be liable for any deficiency of the Exit Amount of a Unit owned by the Manager and redeemed under this clause over or below the Unit Price at which that Unit was issued to or otherwise acquired by the Manager and the Manager shall not be obliged to account to the Supervisor, the Fund or any Unitholder nor shall the Supervisor, the Fund or any Unitholder be obliged to recompense the Manager for any such surplus or deficiency over or below the Exit Amount.

6 SWITCHING UNITS BETWEEN FUNDS

6.1 The Manager covenants with the Supervisor (for the benefit of the Unitholders as well as the Supervisor) that the Manager will:

(a) upon accepting a Switch Request from a Unitholder, but subject to clauses from 5.19 to 5.28, treat such a request as though it were both:

(i) an Exit Request given under clause 5.5 in respect of the Fund; and

(ii) an Application for Units in another Fund or Funds specified the Switch Request; and

(b) apply the Exit Amount payable to the relevant Unitholder on the repurchase or redemption of the old Units (after deduction of any Tax) in payment of the Application moneys due in respect of the acquisition of the new Units.

6.2 Every Switch will at all times be effected in accordance with the relevant provisions of this Governing Document.

6.3 The Manager may, at its discretion, not apply Exit or Entry Fees and/or the Transaction Allowance in the case of all Switches or Switches meeting criteria specified by the Manager.

6.4 The Manager may reject any Switch Request. The Manager will notify the Unitholder of any rejection within seven (7) days of receipt of the Switch Request.

7 JOINT UNITHOLDERS

7.1 Where two or more persons are registered as the Unitholders of any Unit (joint Unitholders), they are (for the purposes of the administration of the relevant Fund and not otherwise) deemed to hold the Unit as joint tenants with benefit of survivorship subject to the following provisions:

(a) the Registrar is not bound to register more than two persons as the Unitholders of any Unit;

(b) the joint Unitholders of any Unit are liable severally as well as jointly in respect of all payments which ought to be made in respect of the Unit;

(c) on the death of any joint Unitholder, the survivor or survivors of them is or are the only person or persons recognised by the Supervisor, the Manager or

the Registrar as having any title to the Unit, but the Registrar may require such evidence of death as it may deem fit;

- (d) any one of such joint Unitholders may give effectual receipts for any distribution payable to such joint Unitholders;
- (e) at any meeting of Unitholders, any one of the joint Unitholders may vote either personally or by duly authorised representative, or by attorney or proxy, in respect of the relevant Unit as if that joint Unitholder were solely entitled thereto. If more than one joint Unitholder is present personally or by representative, attorney or proxy, then the joint Unitholder so present whose name stands first in the relevant Register in respect of the relevant Unit shall alone be entitled to vote as a holder of that Unit;
- (f) only the person whose name stands first in the relevant Register as one of the joint Unitholders may:
 - (i) require delivery of any confirmation or any statement relating to the Unit;
 - (ii) be entitled to receive notices, payments or other communications from the Manager or the Supervisor; or
 - (iii) give valid instructions relating to the relevant Units or effectual receipts for any distribution payable to such joint Unitholders,

and any statement, notice or communication given to such person shall be deemed to have been given to all the joint Unitholders, and the payment to and/or receipt from such person shall constitute a valid discharge to the Supervisor and the Manager for the proceeds so paid or delivered.

- 7.2 For the purposes of calculating the relevant Fund's PIE Tax Liability and attributing such liability to Unitholders and for all other purposes relating to the application of the Tax Act to the Fund as a PIE, the Manager may in its absolute discretion either treat the Unitholders as separate Unitholders (in equal shares), or treat the joint Unitholders as a single person Unitholder with a Notified Investor Rate equal to the highest Notified Investor Rate of the joint Unitholders or such other rate as the Manager thinks fit in its complete discretion.

Registered holder absolute owner

- 7.3 Save as otherwise provided in this Governing Document and subject to the provisions of the FMCA, the Manager, the Registrar, and the Supervisor shall be entitled to treat the registered holder of a Unit as the absolute owner thereof and accordingly shall not, except as ordered by a court of competent jurisdiction or as required by statute, be bound to recognise (even when having notice thereof) any equitable or other claim to or interest in the Unit on the part of any other person. The Registrar need not mark any Unit in the Register in such a way as to identify it as being held in respect of a particular Fund.

8 TRANSFER OF UNITS

Transfer of Units

- 8.1 Subject to the provisions of this Governing Document, a Unit in a Fund may be transferred.
- 8.2 The Manager may register a transfer of Units in a Fund from a Unitholder to another person by:
- (a) cancelling the number of Units sought to be transferred without any payment to the Unitholder; and
 - (b) issuing to the transferee such number of Units as are cancelled pursuant to paragraph (a) above (less any Units cancelled for Tax purposes), treating the transferee as having satisfied payment of the Unit Price by the cancellation of the Units referred to in paragraph (a) above.

Form of instrument of transfer

- 8.3 The instrument of transfer of any Unit must be in writing in form and execution satisfactory to the Registrar and shall comply with Relevant Law and other requirements as the Manager may from time to time specify.

Execution of instrument of transfer

- 8.4 Subject to Relevant Law, the instrument of transfer of any Unit shall be signed by both the transferor and the transferee. The transferor is deemed to remain the Unitholder until the transfer of such Unit is entered in the Register.

Refusal to register transfers

- 8.5 The Registrar shall refuse to register any transfer:
- (a) unless the Unitholder has paid all duties, Tax (including GST) and other commissions, fees and charges in respect of the transfer of the relevant Units;
 - (b) if the transfer does not comply with Relevant Law, the Disclosure Documents, the provisions of this Governing Document;
 - (c) if the transfer would result in the transferor or transferee holding less than the Minimum Holding Amount for that Fund;
 - (d) without limiting clause 23.2, if any liability falls on the Unitholder in respect of the Units and the Manager is not satisfied that:
 - (i) the transferee acknowledges or is otherwise bound by the liability; and
 - (ii) the transferee is appropriately credit-worthy in relation to the liability; or
 - (iii) where allowing the transfer the transfer would threaten the Fund's eligibility as a PIE; or

- (e) until the Manager has received in respect of the transferor such information as is usually required of an applicant to buy or subscribe for such Units from or through the Manager (including payment instructions and customer verification).

8.6 Prior to any transfer of units, the manager may adjust a Unitholder's interest in accordance with clause 25.7.

Retention of instruction of transfer

8.7 Every instrument of transfer of a Unit that is registered, shall for such period as the Manager may determine, be retained by the Manager after which (subject to Relevant Law or this Governing Document to the contrary) the Manager may destroy it.

9 TRANSMISSION OF UNITS

9.1 The following persons may be registered as the Unitholder in respect of Units or may validly transfer Units:

- (a) the executor or administrator of a deceased Unitholder (not being one of several joint Unitholders), and (in the case of the death of one or more joint Unitholders) the survivor or survivors of those Unitholders;
- (b) the property manager of a Unitholder who is subject to a Court Order under the Protection of Personal and Property Rights Act 1998 or attorney under an enduring power of attorney; or
- (c) any person becoming entitled to Units in consequence of insolvency, bankruptcy, liquidation, arrangement or composition with creditors, assignment for the benefit of creditors or scheme of arrangement of any Unitholder or otherwise than by transfer.

9.2 Any person becoming entitled to any Units in consequence of the death of any Unitholder, or pursuant to clause 9.1 must produce such evidence of capacity or of title as the Manager may think sufficient to establish that person's entitlement to such Units. 12.2 The length of each Distribution Period and the method of calculation of Entitlements in respect of any Fund shall be those specified in this Governing Document or as subsequently varied by the Manager.

Allocation and distribution

12.3 Subject to the terms of this Governing Document, the Manager will determine each Unitholder's Entitlement and distribute the Entitlements by payment in cash to each such Unitholder.

12.4 A Unit deemed to be on issue on the last day of the relevant Distribution Period entitles the relevant Unitholder to participate in the distribution for the period in full irrespective of the number of days it has been on issue.

12.5 The Manager shall pay Entitlements within 60 days after the last day of the Distribution Period to which they relate.

**Calculation on Distribution Date**

12.6 On each Distribution Date, the Manager will (if applicable):

Allowable expenses

12.8 If any question shall arise as to whether any money or property constitutes income or not, or whether any expense is chargeable against income or not, such question shall be determined by the Manager who shall do so by construing this Governing Document and having regard to generally accepted accounting practice in New Zealand (other than the requirement to treat Units as liabilities).

**Adjusted price**

- 12.9 Immediately following the Distribution Date, the Exit Amount for Units will reflect the calculation of the Distribution Amount and reduce by the income accrued and to be distributed to Unitholders.

- 12.12 No advance notice of a special distribution need be given to Unitholders.

- 12.13 Unitholders may elect to reinvest their Entitlements by purchasing further Units in the relevant Fund by making a request in that respect to the Manager in their initial Application or in such other form or manner as may from time to time be determined by the Manager. Any request in such other form or manner must be submitted to the Manager at least one month before the end of the relevant Distribution Period (or such later date as the Manager shall decide). Any request (whether in an initial Application or at a later date) may be varied or terminated by written notice to the Manager not later than one month before the end of a Distribution Period.
- 12.14 The Manager will treat such a request as though it were an application to purchase or subscribe for further Units in the relevant Fund with the relevant Entitlement (less any applicable Tax) and accordingly the provisions of clause 12.16, with such changes as are necessary, apply to the Units issued in accordance with clause 12.13. No Entry Fee or Transaction Allowance is to be charged in respect of such transaction.
- 12.15 Notwithstanding the foregoing, the Manager may decline to effect any reinvestment of an Entitlement without giving any reason.

Disclosure of information to Commissioner

- 12.16 The Manager and the Supervisor are authorised to make such disclosure as may be required by the Commissioner of the details of Unitholders, any distributions to Unitholders or any other details or information arising out of any of the Funds.

**Manager's discretion to distribute**

Termination

24.2 At any time after the commencement of a Fund the Manager may notify the Supervisor in writing that such Fund is to be terminated and three months after receipt of the notice by the Supervisor the Fund will terminate unless the Manager and the Supervisor reach an agreement to do otherwise. Notice of the receipt by the Supervisor of the notice shall forthwith be given to each Unitholder in that Fund by the Supervisor.

Winding-up

24.3 The provisions of the FMCA relating to the winding up of the Scheme and each Fund shall apply to the winding up of a Scheme or its Funds.⁶⁰

⁶⁰ Sections 171, 212 and 213 of the FMCA.

**Procedure on winding up**

- 24.4 Upon the termination of any Fund the rights of Unitholders to have their Units purchased or redeemed shall cease and the Supervisor shall sell and realise the Investments and Assets of the relevant Fund which are not to be distributed in specie as part of the termination, as directed by the Manager, as soon as reasonably practicable.
- 24.5 Upon the termination of any Fund the Supervisor shall at the direction of the Manager and subject to the right of retention contained in clause 24.6, distribute the whole or part or parts of the Fund to the Unitholders in that Fund in specie with the value of such Assets to be determined in accordance with clause 4 upon such Assets to be distributed.
- 24.6 The Supervisor shall retain out of any money in its hands relating to the Fund to be terminated such amount as the Manager considers necessary or appropriate to meet all costs, charges, expenses, claims and Liabilities (including contingent Liabilities) and Tax incurred in connection with the Fund or arising out of the liquidation of the Fund including the Supervisor's fees, the Manager's fees and the fees of any agents, solicitors, bankers, accountants, Auditors or other persons (including the Manager) whom the Manager or the Supervisor may employ in connection with the winding up of the Fund. The Manager and the Supervisor shall be entitled to be indemnified in respect of the foregoing from the moneys or assets retained by the Supervisor.
- 24.7 All moneys and assets of the Fund to be wound up shall be held and applied by the Supervisor as follows:
- (a) first, in payment or retention of all amounts referred to in clause 24.6 above and all payments made by or on behalf of the Supervisor or the Manager and payable from the Fund and of all remuneration payable to the Supervisor and the Manager as herein provided;
 - (b) secondly, in payment or distribution to the Unitholders (including holders of Fractional Units) of the Fund in proportion to their respective Holdings of Units at the time of distribution (subject to clause 25.7);
- 24.8 If in the opinion of the Supervisor it shall be expedient to do so the Supervisor may make interim payments or distributions on account of the moneys to be distributed in accordance with this clause.
- 24.9 Each distribution shall be made only against delivery to the Supervisor of such form of receipt and discharge as may be required by the Supervisor.

25 TAX

- 25.1 In this clause:

- (c) any PIE Tax Liability that is or may be assessed against or payable by or in respect of a Unitholder's holding of Units.

25.2 **Withholding Taxes**

If the Manager or the Supervisor is obliged by law to make any deduction or withholding on account of Tax from any payment to be made to a Unitholder (including amounts which would be so paid if they were not being applied for a Switch or reinvested under this Governing Document) the Manager or Supervisor (as the case may be) shall make such deduction or withholding and:

- (a) pay such an amount to the Commissioner or other relevant Tax authority;
- (b) reimburse the Supervisor or the Manager for any corresponding amount paid from their own funds; and
- (c) refund any balance to the Relevant Person.

25.3 On payment or application of the net amount in respect of the Relevant Person and of the Taxation Amount to the Commissioner or other relevant Tax authority, the full amount payable or available to the relevant Unitholder shall be deemed to have been duly paid and satisfied. For the avoidance of doubt, notwithstanding any other provisions of this Governing Document, only the net amount will be available for the benefit of the Unitholder in the case of a transfer, Transmission, Switch or a reinvestment of Entitlements.

Rights of PIP Investors

25.4 A PIP Investor shall have the same rights, benefits and entitlements as if the PIP Investor were the registered holder of the Units held by the PIP Investor Proxy on behalf of the PIP Investor, except that:

- (a) the PIP Investor Proxy shall be deemed to hold such rights, benefits and entitlements on behalf of the PIP Investor; and
- (b) the PIP Investor Proxy is the only person able to exercise any such rights or entitlements or receive any such benefits.

Role of PIP Investor Proxy

25.5 Notwithstanding anything else in this Governing Document:

- (a) the PIP Investor Proxy must comply, in respect of a Fund, with the obligations imposed on PIP investor proxies under the Tax Act;

- (b) to the extent permitted by law none of the Fund, the Manager or the Supervisor shall have any obligation or liability of any nature:

- (c) neither the Manager nor the Supervisor shall have any liability or obligation to PIP Investors or the PIP Investor Proxy in connection with the PIP Investor Proxy's failure to comply with, or any action or inaction of the PIP Investor Proxy in respect of, its obligations under paragraph (a) above.

Non-residents Taxation

- 25.6 If the Fund is not a PIE, the Manager may (but is not obliged to), with the approval of the Supervisor, take all such actions as are permitted by law to provide compensation to Unitholders to mitigate the Tax liability of any Unitholders arising out of their ownership of any Units, in accordance with the procedure for the payment of supplementary dividends to non-resident Unitholders set out in the Tax Act, provided such actions, in the opinion of the Manager, are not prejudicial to any other Unitholder and are equitable having regard to the interests of all Unitholders.

Powers if a Fund is a PIE

- 25.7 Notwithstanding any other provision of this Governing Document, the Manager shall have the following additional powers and discretions in respect of any Fund which is a PIE:
- (a) To elect that a Fund be a PIE, or cease to be a PIE.
 - (b) To determine, on such basis as the Manager thinks appropriate in its complete discretion, any matter which is necessary or desirable to be decided in order to operate a Fund as a PIE.
 - (c) To retain any amount to which a Unitholder otherwise would be entitled if that amount is required to be paid to Inland Revenue pursuant to the Tax Act.
 - (d) To make available to the Unitholder the benefit of any Tax Credit in such manner as the Manager considers appropriate in its complete discretion.
 - (e) To make any elections or exercise any options under the Tax Act as it thinks fit having regard to the interests of Unitholders generally and the rules in the Tax Act.
 - (f) To carry out any Tax calculations, allocations or attributions required by the Tax Act for a PIE.
 - (g) To adjust a Unitholder's Unit holding by cancelling or issuing Units as the Manager considers necessary or desirable in its complete discretion, whether in accordance with the Tax Act or otherwise to the extent permitted by law, at

any time (including immediately prior to the redemption of the Unitholder's Units).

- (h) To deduct any amount on account of a PIE Tax Liability or to credit any amount on account of a Tax Credit from or to any Distributable Amount or Withdrawal Price in respect of a Unitholder on such basis as the Manager considers necessary or desirable in its complete discretion, whether in accordance with the Tax Act or otherwise to the extent permitted by law, as the Manager thinks equitable in its absolute discretion, at any time (including immediately prior to the redemption of the Unitholder's Units).
- (i) To elect to offset Tax liabilities and Tax Credits in respect of more than one Unitholder and make such adjustments as the Manager thinks fit in its complete discretion to the extent permitted by the Tax Act.
- (j) To allocate the costs associated with being a PIE between Unitholders and Funds on such basis as the Manager thinks appropriate (to the extent practical) in its complete discretion.
- (k) To take all steps as the Manager considers necessary or desirable to ensure the Fund is eligible or continues to be eligible as a PIE, or otherwise to comply with the PIE rules in the Tax Act, including (in the Manager's complete discretion):
 - (i) rejecting applications for Units;
 - (ii) treating Units issued to a Unitholder as void (ab initio or from such other date as the Manager may decide in its complete discretion) and to the extent that the parties cannot legally achieve this outcome, then the Unitholder acknowledges that any Units issued which exceed the Investor Interest size requirement prescribed in the Tax Act, shall be deemed to be held by that Unitholder on trust for the Manager and the Manager shall have full powers of direction in relation to those Units including when, how and to whom they shall be disposed of; or
 - (iii) redeeming Units where the relevant Unitholder's Unit holding would threaten the Fund's eligibility as, or cause a Fund to be ineligible to be, a PIE, provided the Manager has given the Unitholder one month's notice or such shorter notice as is necessary in order to maintain the Fund's status as a PIE.
- (l) To require that before accepting an application for Units the applicant provides their Tax File Number, Prescribed Investor Rate, and any other information required by the Tax Act, and that at any time a Unitholder must confirm such details or provide such other information as required by the Tax Act on request from the Manager.
- (m) To disclose any information, including issuing any statements and providing any information to Unitholders as required by the Tax Act and in respect of their Tax position in relation to the Fund, and providing any information

(including personal information) to Inland Revenue or any other person where the Manager considers it reasonably necessary or desirable to do so in order to administer the Fund's Tax obligations.

- (n) To value Tax losses of the Fund for the purpose of determining the Unit Price as the Manager thinks fit in its complete discretion having regard to the Tax Act and to the Fund's stated policies (if any) from time to time.
- (o) To take all steps and do all things as the Manager thinks necessary or desirable in its complete discretion to transition a Fund to and from being a PIE or to administer the Fund as a PIE.

Tax payments in good faith

25.8 Neither the Supervisor nor the Manager shall be liable, to the maximum extent permitted by FMCA⁶¹, to account to any Unitholder or otherwise for any payments made by the Supervisor or the Manager in good faith to any fiscal authority for Taxes in respect of the Scheme, a Fund, the Unitholders or with respect to any transaction under this Governing Document notwithstanding that any such payment need not have been made.

Provision of Information where a Fund is a PIE

25.9 The Manager may request any Unitholder to provide information to the Manager to enable the Manager to determine whether a Fund continues to meet the PIE eligibility requirements and, in particular, the Manager may request any Unitholder to:

- (a) provide details of Units held by any associated person (as defined in the Tax Act) of the Unitholder (including any associated person who is a PIP Investor) where the associated person holds 5% or more of the Units in a class; and/or
- (b) confirm that the Unitholder either is or is eligible to be a PIE.

If the Manager requests a Unitholder to provide information to the Manager pursuant to this clause, the Unitholder shall supply such information within 30 days of the request, or such shorter notice as is necessary in order to maintain the Fund's status as a PIE.

Indemnity for Tax

25.10 Each Relevant Person shall indemnify the Supervisor and the Manager in respect of any Taxation Amount paid or payable by the Manager or the Supervisor in respect of a Relevant Person, including any shortfall if the value of a Unitholder's Units is insufficient to meet any liability for a Taxation Amount payable in respect of that Unitholder by a Fund or the Supervisor (whether current or deferred).

Fair Dividend Rate Powers

25.11 Where the Manager considers it necessary or desirable in the Manager's complete discretion that a Fund should meet the requirements of the fair dividend rate

- 26.1 The Manager may, by notice in writing given to a Unitholder, or to a person whom the Manager considers may be an Associated Person of a Unitholder or otherwise may have a Relevant Interest in a Unit, require the recipient, to within 14 days after receiving the notice to give to the Manager a statement in writing setting out:

Any Unitholder disposing of specified Units shall not be entitled to make any claim upon the Manager or the Supervisor in respect of the acquisition or disposal of the specified Units or in respect of any other matter.
